### DIRECTOR'S SYNOPSIS

*THE ADDAMS FAMILY - A New Musical Comedy* is based on the Charles Addams cartoon "The Addams Family" which depicts a kooky American family with a penchant for the macabre. Wednesday is growing up and has fallen in love with a man her parents haven't met. She begs Gomez to do the one thing he cannot do - keep a secret from Morticia. Everything changes on one fateful night when the Addams family hosts a dinner for Wednesday's "normal" boyfriend and his parents. Full disclosure, you're in for a hilarious good time!
